## Subject: Car Parking inside Society

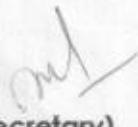

1. It is learnt that outside cars are being parked inside the Society with Parking stickers.

Therefore, in accordance with the earlier decision, it is reiterated in MC meeting held on 22.05.2022 that Car Parking stickers will be issued against the valid RC as below:

- a) RC should be in the name of Flat owner/ resident or his/ her family member. OR
- b) car provided by the Company with valid proof, to the resident where he is working.
2. Cars which are found without RC in the name of Flat owner/ resident or his/ her family member, if any, a letter will be written to the owner/ resident for removing Parking sticker from such cars within stipulated period and vehicle will be treated as Guest car w.e.f. from the date of letter, issued by the Society.
3. The owner/ resident may park a car temporarily as a replacement of his/ her stickered car which is out of Society for one or the other reason for some time.

In such case, individual has to give an application in writing, stating period of parking and reason for it to the Society Secretary who may allow, if found necessary. In absence of application or beyond the period stated in the application, the car will be dealt as Guest car without notifying the owner/ resident.

4. Second time Car Parking sticker, if required by the owner/ resident by stating the valid reason and copy of RC in his/ her application, it will be on chargeable basis as per actual.
