REMINDER

Subject: Regarding Electricians' Weekly Off and Complaint Registration Procedure

Dear Residents,

This is to kindly remind you of the Society Circular dated 01st March, 2024, which informed all residents that:

- Mr. Sandesh (Electrician) will have his weekly off on Fridays
- Mr. Amod (Electrician) will have his weekly off on Mondays
- Both electricians will continue to alternate between day and night shifts.

It has come to our attention that some residents are directly contacting the electricians on their personal mobile phones, without considering their weekly off. This causes inconvenience to the concerned staff and disrupts their personal schedules.

We request all residents to strictly refrain from directly calling the electricians. Instead, please register your complaints at the security gate. The security team will then inform the electrician on duty, who will address your issue accordingly.

Your co-operation in this matter is appreciated to ensure smooth and fair operations for all.

Thank you for your understanding.

Warm regards,

R.K. Agarwal
President
