## Subject: Power & Responsibilities of Co-opted Members

This is in continuation to Circular dated 17.03.2023 appointing Co-opting Members to assist and advise the elected Managing Committee for taking decisions on matters regarding the affairs of the Society.

Recently, the problems were being faced by MC and Co-opted Members in discharging their duties for smooth working of the Society affairs. Therefore, Managing Committee decided in their meeting held on 21.05.2023 as below:

The Managing Committee has formed sub-committee and delegated its own powers as it considered desirable for the better conduct of the society affairs.

The sub-committee shall discharge its functions entrusted to them to the instructions given by the Managing Committee. It means that all the members, that are co-opted as sub-committee members, are part of the MC and are responsible as MC members in the conduct of the Society affairs and therefore, they can be asked on the conduct of the Society affairs and similarly can also respond on behalf of the Managing Committee to any member.

It was also decided to circulate the above decision for the clarity of all the members of the Society.
